NB Special note re this database

SAGHS does not hold Public Trustee files which relate to the index on fiche so there will be no Lookups available however, for a research fee, a research officer will travel to SRSA at Gepps Cross or access the Supreme Court/Probate Registry to read/ film the paperwork for you. A quote will be sent to you on request.

State Records SA (SRSA) hold various Public Trustee files as GRG33/1, GRG33/2, GRG33/12, GRG33/13, GRS/747 from 1849 to current BUT there is a 60 year embargo on access & some files are restricted

Some files are listed on SRSA GRG33/1 with a name so have been accessed but most just have a file number in 2609 boxes in the consignment - part open

You may need to fill out Freedom of Information form for us to access some files
